It does not stand on its own and The Royal Borough of Windsor and Maidenhead, its Officers and agents do not accept any responsibility for any loss occasioned by any person acting as a result of the material contained herein.

The law relating to Hackney Carriages is contained within the Local Government (Miscellaneous Provisions) Act 1976 and the Town Police Clause Act 1847. All previous policies and conditions are hereby revoked from the date this document is approved by the Licensing Panel.
In this document, any reference to Licensing Officers means the Enforcement Principal, Trading Standards and Licensing Team Leader, the Licensing Enforcement Officers and Assistant Licensing Enforcement Officers of the Royal Borough of Windsor and Maidenhead. “Council” means the Royal Borough of Windsor and Maidenhead.

Hackney Carriage Drivers and Licensing Requirements

1. HACKNEY CARRIAGE DRIVERS – REQUIREMENTS

1.1 Each application will be considered on its own merits, taking into account all relevant information and circumstances and having regard to the criteria detailed below.

1.2 Should any applicant fail to be regarded as a fit and proper person to hold a Hackney Carriage Drivers Licence (HCD), his application shall be refused by the Licensing Officers.

1.3 There is a right of appeal to the Council’s Appeals Panel.

1.4 Should any licence holder become regarded as not being a fit and proper person to hold a Hackney Carriage Drivers licence, his licence may be suspended or revoked.

2. APPLICATION REQUIREMENTS

(a) All applicants must have held a full UK, NI or EU driving licence for a minimum of two years before an application for a HCD licence can be made. (This excludes the holding of a provisional licence).

(b) Holders of full EU licences must register their licence with the DVLA and obtain and present a UK DVLA to accompany an application for a Hackney Carriage or Private Hire Driver licence.

(c) All new applicants must complete a Data Protection Mandate form in order for their DVLA/EU drivers licence to be checked and verified by the DVLA.

(d) Existing drivers may be required to complete a Data Protection evaluation form if they have a poor driving record.

(e) All new applicants must complete an Enhanced Disclosure & Barring Service (DBS) Disclosure Form and upon receipt of result, present it alongside the HCD licence application. The DBS can only be accepted at the time of licensing if it is less then 3 months from the date of issue.

(f) The DBS does not check for criminal convictions outside the UK, and should an applicant not have been a resident in the UK for the preceding five years, a Certificate of Good Conduct should be obtained from the appropriate Embassy or High Commission. A certified English translation of this document must be produced by the applicant at his own cost. If this cannot be provided, the application shall be refused.
All applicants must provide proof of the right to work and reside in the UK. This can be done by providing a valid UK or European Union passport. Holders of other passports must show a valid visa that has at least six months remaining before its expiry at time of application. A licence will only be granted until the expiry of the visa, and will only be renewed or extended on the production of a valid visa issued by the Home Office. Under no circumstances will letters from any source be accepted as proof of right to work. Applicants without a passport wishing to be able to work must have a valid ARC card or Immigration Status Document issued by the Home Office.

All applicants must have completed and passed a Driving Standards Agency Hackney Test Assessment within the last 12 months, prior to any Hackney Carriage Drivers licence being issued. (Drivers currently licensed by RBWM are exempt from having to take the DSA Test unless there is a complaint about the standard/quality of their driving).

From 1 October 2018 all applicants must have attended, at their own expense, mandatory classroom based safeguarding training as prescribed by the Head of Communities, Enforcement & Partnerships and achieved a satisfactory score in the test included in the training.

Applicants are expected to have a good knowledge of the Royal Borough of Windsor and Maidenhead and the surrounding area as well as the Highway Code. Applicants will be tested on their knowledge of the above and must pass a written knowledge test to a set standard. Knowledge tests shall take the form of a written test which will be conducted in English only. Payment for the test shall be made in advance and failure to attend without prior notice shall mean forfeiture of any monies paid.

Applicants have twelve months from submission of application to complete the application process.

All applicants must submit a Certificate of Fitness which must be signed and stamped by their own General Practitioner. Medicals are required at first application, then every five years until the licence holder reaches the age of 65. Thereafter a Certificate of Fitness must be provided every year.

Applicants for a 3 year licence must apply for an enhanced DBS at the time of application and will be subject to a DVLA licence check. Each year, after the licence has been issued, the driver will be subject to another DVLA licence check and will be issued with a new badge, using a current photograph.

Nothing in this policy shall preclude a licence holder from being required to undergo a medical examination at any time as may be directed by the Licensing Officers.
3. **FIT AND PROPER**

3.1 A licence shall not be granted where an applicant has been convicted of an offence of dishonesty, violence, a sexual offence or an offence relating to alcohol, drugs or controlled substances and has not yet been rehabilitated in terms of the Rehabilitation of Offenders Act 1974 (as amended), the Guidelines Relating to the Relevance of Convictions and the Royal Borough of Windsor and Maidenhead’s policies and procedures, in respect of that offence. In addition where there are relevant spent convictions, these may also be considered. See ‘Policy & Guidance on Convictions & Cautions’

3.2 A conviction for any of the offences listed in the paragraph above will result in immediate licence suspension or revocation by the Licensing Officers. Should a Hackney Carriage Drivers licence holder be charged with an offence that is deemed to be of such a nature that it poses a serious risk to the public, the Licence shall be immediately suspended by the Licensing Officers until such time that the issue has been resolved.

3.3 Where a conviction is not in respect of a relevant offence and is not of a nature which would have any bearing on whether the applicant is a fit and proper person to hold a driver’s licence, then such a conviction will be disregarded other than in consideration of an overall adherence to the law.

3.4 The Driver must inform the Council without delay about the onset or worsening of any health condition likely to cause him to be a source of danger to the public when driving either now or in the future. Examples are contained in the DVLA Medical Notification Guidance and include:

- giddiness
- fainting

- epilepsy
- strokes
- multiple sclerosis
- Parkinson’s disease

3.5 A licence may be suspended or revoked by the Licensing Officers in accordance with the approved penalty point system (see penalty point system).

3.6 A licence may be surrendered or revoked by the Licensing Officers in accordance with approved penalty point system (see penalty point system).

3.7 From 1 October 2018 existing hackney carriage drivers must undertake mandatory classroom based safeguarding training as prescribed by the Head of Communities, Enforcement & Partnerships and achieve a satisfactory score in the test including in the training.

“Existing hackney carriage drivers” includes any applicant who has started, but not completed the application process on this date.

3.9 This training must be completed by 31 December 2019 and the original of the certificate provided to the Licensing Officers by that date.

3.10 Should an existing driver fail to attend the training and attain a certificate by 31/12/2019 they will not be regarded as fit and proper to hold a Hackney Carriage Drivers Licence. As a result their licence will be suspended until the training is completed and a certificate produced to the Licensing Officer.

3.11 There is a right of appeal against any such suspension to the Council's Appeals Panel.

3.12 The cost of the training is to be met by the person attending the training. This will be on a cost recovery only basis.

3.13 Existing drivers who can provide evidence that they have attended equivalent safeguarding training will be exempt from the requirement to attend this mandatory safeguarding training. “Equivalent” in this case means:

- Training in a classroom or group environment
- With a test requiring a minimum pass mark
- With a certificate of attendance or completion.

3.14 Drivers will be required to undergo refresher training every 3 years as prescribed by the Head of Communities, Enforcement & Partnerships. Full details of this refresher training and how to complete it will be provided by the Licensing Officers.

An exemption can be valid for as short or long a time period as the Licensing Officer thinks appropriate, bearing in mind the nature of the medical issue.

Drivers wishing to claim an exemption from the duties set out above must apply in writing using a form which will be provided by the Licensing Officer. On this form the person applying for an exemption must set out:

Up to the age of 65 long term exemptions will be reviewed every five years at the same time that a medical certificate is required. From the age of 65 long term exemptions will be reviewed every year at the same time that a medical certificate is required.

If the exemption application is unsuccessful the applicant will be informed in writing within a reasonable timescale and with a clear explanation of the reasons for the decision.

Drivers granted an exemption will be permitted to display in their vehicle, when being operated by the exempt driver, a notice prescribed by the Equality Act 2010 (Taxis and Private Hire Vehicles) (Passengers in Wheelchairs – Notices of Exemption) Regulations 2017 or by any subsequent legislation that this is replaced by.

If a designated vehicle is operated by more than one driver, one or more of whom has been granted an exemption, the Notice of Exemption must only be displayed in the vehicle when being operated by an exempted driver.

If a Notice of Exemption is displayed in a designated vehicle being operated by a driver to whom an exemption has not been granted, that driver will be in breach of this Policy and subject to action by the Licensing Officer.

If the display of a Notice of Exemption in a designated vehicle being operated by a driver to whom an exemption has not been granted causes the driver to fail to comply with the duties set out above, that driver commits a criminal offence.

PENALTY POINTS SYSTEM

The introduction of the Penalty Points System is to provide an effective enforcement process for Licensing Officers in respect of Hackney Carriage and Private Hire Driver and Vehicle Licence holders, as well as Private Hire Operators who are found to be in breach of local or national conditions and policies relating to the licensing functions.

The emphasis of the Penalty Point System is to increase and ensure the safety and wellbeing of members of the public as well as compliance with legal requirements.

The system is only intended to ensure compliance by those licence holders who it is proved have breached or are in breach of the rules and regulations that they should be complying with.

The system operates in line with penalty points endorsed on a driving licence and that is where 12 unspent penalty points are accumulated this will result in referral to the Licensing Panel. Penalty points being spent 12 months from the date of being administered.

Licensing Officers reserve the right to refer cases straight to a Licensing Panel rather than imposing points, where they consider the seriousness of the case merits doing so.

Where a referral is made to the Licensing Panel, it will be that Panel’s decision on what further action, if any, should be taken – such action could include the suspension or revocation of the licence.

The Licensing Panel will allow the licence holder the opportunity to challenge the imposition of individual sets of penalty points.

Where penalty points are administered by a Licensing Officer and the licence holder wishes to dispute the matter, the licence holder may request for the matter to be referred to a Senior Officer of the Royal Borough of Windsor & Maidenhead, being either a Director or Head of Service.

Such an appeal must be submitted to the Council in writing, stating the grounds for the appeal, within 21 days of administration of the penalty points. Any licence holder also has the right of appeal against a Licensing Panel, Appeals Panel or Senior RBWM Officer decision to the Magistrates Court within 21 days of notification of the decision.

Where the issuing of penalty points means that person receiving the points has accrued 12 unspent points in total, and would therefore be automatically referred to the Licensing Panel, any appeal in this case should be heard by an Appeals Panel made up of three Members of the Licensing Panel.

THE ROYAL BOROUGH OF WINDSOR AND MAIDENHEAD

HACKNEY CARRIAGE AND PRIVATE HIRE DRIVER LICENCES STATEMENT
OF POLICY ABOUT RELEVANT CONVICTIONS

When submitting an application for a licence to drive a private hire vehicle, to drive a Hackney Carriage vehicle or to operate a private hire firm, applicants are required to declare all convictions or cautions they may have, and if they are currently being investigated or have been charged or summoned for any offence. The information given will be treated in confidence and will only be taken into account for the specific application.

Applicants should be aware that the Licensing Authority will check the Disclosure & Barring Service for the existence and contents of any criminal record held in the applicant’s name. Information received from the Disclosure & Barring Service will be kept in strict confidence whilst the licensing process takes its course and will be retained for no longer than is necessary.

A person with a current conviction for serious crime need not be permanently barred from obtaining a licence but must show 5 years free from conviction, according to the circumstances, before an application is entertained. Some discretion may be appropriate if the offence is isolated and there are mitigating circumstances.

The disclosure or a criminal record or other information will not debar an applicant from gaining a licence unless the Authority considers that the conviction renders the applicant unsuitable. In making a decision, the Licensing Authority will consider the nature of the offence(s), when the offence(s) took place and the age of the applicant when the offence(s) were committed and any other factors which may be relevant. The Licensing Authority may wish to refer to any guidelines to which it adheres and applicants may have applications refused by Officers under delegated powers in accordance with those guidelines. There is a right of appeal from an officer decision to an Appeals Panel in every case.

Should the need arise any applicant who is refused a licence has a right of appeal (within 21 days of the decision) to a Magistrates’ Court.

All new applicants who have not resided in the UK for a full five (5) years immediately before submitting the application must also satisfy the Licensing Team/Committee that they are a ‘fit and proper person’. This will require:

(a) Obtaining a Certificate of good Conduct via the respective embassy from the country(s) where the applicant has resided for the previous 5 years,

(b) Obtaining a written English translation certificate at the applicant’s own expense for the above certificate, where applicable,

(c) Production of National Insurance details and/or documentary evidence that allows an applicant to work in the UK in line with Immigration requirements.

Each case will be decided on its own merits.
Listed below are the guidelines that the Licensing Authority will refer to:-
MINOR TRAFFIC OFFENCES

Convictions for minor traffic offences e.g. obstruction, waiting in a restricted street, speeding etc. should not prevent a person from proceeding with an application. If sufficient points have been accrued to require a period of disqualification of a person’s driving licence then a Hackney Carriage or private hire licence may be granted after its restoration but a warning should be issued as to future conduct.

MAJOR TRAFFIC OFFENCES

An isolated conviction for reckless driving or driving without due care and attention should normally merit a warning as to future driving and advice of the standard expected on Hackney Carriage and private hire drivers. More than one conviction of this type of offence within the previous two years should merit refusal and no further application should be considered until the period of five years free from conviction has elapsed.

DRUNKENNESS

With a motor vehicle, a serious view should be taken of convictions of driving or being in charge of vehicle whilst under the influence of alcohol. An isolated incident should not necessarily debar an applicant but strict warnings should be given as to future behaviour. More than one conviction for these offences should raise grave doubts as to the applicant’s fitness to hold a licence. At least three years should elapse (after restoration of the driving licence) before an applicant is considered for a licence. If there is any suggestion that the applicant is an alcoholic, a special medical examination should be arranged before the application is entertained. If the applicant is found to be an alcoholic, a period of five years should elapse after treatment is complete before a further licence application is considered.

NOT IN A MOTOR VEHICLE

An isolated conviction for drunkenness need not debar an applicant from gaining a licence. However, a number of convictions for drunkenness should indicate a medical problem necessitating a medical examination (see above). In some cases a warning should be sufficient.

DRUGS

An applicant with a conviction for a drug related offence should be required to show a period of at least three years free from conviction before an application is entertained, or five years after detoxification treatment if her/she was an addict.

INDECENCY OFFENCES

As Hackney Carriage and private hire drivers often carry unaccompanied passengers, applicants with convictions for indecent exposure, indecent assault, importuning, or any of the more serious sexual offences should be refused until they can show a substantial period (at least five years) free of such offences. If a licence is granted a strong warning as to future conduct should be issued.
**VIOLENCE**

As Hackney Carriage and private hire drivers maintain close contact with the public, a firm line should be taken with applicants who have convictions for grievous bodily harm, wounding or assault. At least five years free from such convictions should be shown before an application is entertained and even then a strict warning should be administered.

**DISHONESTY**

Hackney Carriage and private hire drivers are expected to be persons of trust. The wide-scale practice of delivering unaccompanied property is indicative of the trust that people place in drivers. Moreover it is comparatively easy for a dishonest driver to defraud the public by demanding more than the legal fare etc. Overseas visitors can be confused by the changes in currency and become ‘fair game’ for an unscrupulous driver. For these reasons a serious view should be taken of any conviction involving dishonesty. In general, a period of five years free of conviction should be required before entertaining an application.

**Convictions under the Town Police Clauses Acts and Part II of the Local Government (Miscellaneous Provisions) Act 1976**

Convictions under these Acts are taken very seriously, as the legislation is in place to protect members of the public. In particular, an application will not normally be entertained where the applicant has been convicted of an offence under the Acts at any time during the twelve calendar months prior to the application or has more than one conviction during the last two years prior to the application.

An existing licence holder with any conviction under this legislation will have their licence reviewed immediately.

**Nothing in this guidance / policy will remove an applicant's right to appeal to a Magistrates Court against the Council's refusal to grant or renew a licence, or decision to suspend or revoke a licence, or against any conditions which may have been imposed on any such licence by the local authority. Such appeal is to be made within 21 days of the refusal or decision.**
DISCLOSURE GUIDANCE / REQUIREMENTS

Applicants should note that to make a false statutory declaration is a serious criminal offence, punishable upon conviction by imprisonment for a term not exceeding two years or to a fine to be decided by the court or both. This statutory declaration may in certain circumstances be forwarded to the police for examination.

Applicants for driver licences are required to declare ANY convictions or cautions including those regarded as “Spent” under the Rehabilitation of Offenders Act 1974.

The information you give will be treated in confidence and will only be taken into account in relation to your application.

You should be aware that the Licensing Authority is empowered in law to check with the Disclosure & Barring Service for the existence and content of ANY criminal record held in the name of the applicant. Information received from the Disclosure & Barring Service will be kept in strict confidence while the licensing process takes its course and will be retained for no longer than is necessary.

The disclosure of a criminal record or other information does not debar applicants from obtaining a licence unless the Council considers that the applicant is not a ‘fit and proper person’ to hold that licence.

In making this decision the Council will consider the nature of the offence(s), the period since convictions(s), at what age the offences were committed and any other relevant factors.

The Council will not be considering whether a person is guilty of the offence for which they have been convicted or cautioned for an offence but whether he or she is a ‘fit and proper person’.

This document can be revised at any time to reflect Acts of Parliament, new legislation, associated revisions to existing legislation and / or policy changes as approved by the Licensing Panel.
