- If you sign in to see an advisor using our Customer Contact face-to-face booking system, we collect your name and service area relating to your enquiry.
- If you make a payment for a council service on a self-service kiosk, depending on the service you are paying for, we may collect your name, reference number, address, business name and vehicle registration. If you make payments by card, we will collect your credit/debit card details.

How we use the information provided:

- Libraries and customer contact face to face uses personal information to provide specific services to residents, such as Bus Pass, Advantage Card,

Blue Badge.

- Library Membership Card that allows the borrowing and reserving of items from the library or the use of online information services and Public PCs.
- If you use our [online resources](#), we may use your library membership number to check you are a valid library member.
- For children under 16, we use guarantor information to send the parent or guardian notifications about available reservations and overdue loans.
- For a Concessionary Bus Pass the personal information provided by the resident allows us to check eligibility and issue a Concessionary Bus Pass to those who are entitled.
- Personal information provided in order to get an Advantage Card is used to confirm eligibility of the customer, so they may receive reduced charges on specific items/events in RBWM libraries. The personal information will also allow further benefits within RBWM with use of the Advantage Card.
- In addition there is a booking in queuing system to ensure that those waiting for Customer Service advice are seen in order by a person that can help them with more in depth services such as Council Tax, Parking, Waste and Recycling.
- Libraries and Customer Contact face-to-face only uses personal information for the purposes for which it has been obtained.

How long we store your information:

- Your data will be held for 2 years after your membership expires. If you have not used the library in that time and your account is clear of money or items owing your data will be anonymised. Anonymising a record removes anything that could be used to identify a person but retains the loan history. You would need to join again to use the library service. Information is held for 7 years if there are items or monies outstanding.
- Information about Public Computer usage is stored for 1 year.
- Customer Contact face to face booking system data is stored for 2 years.
- Concessionary Bus Pass personal data is accessible for 5 years while the pass is valid. After this time the data becomes inactive and not accessible.
- Advantage Card data is kept on the system until the customer informs us they are leaving the borough, at which time we would cancel the card.

- Please ensure your data is correct by logging on to <https://rbwm.spydus.co.uk/> and checking your account. You can update your details in any RBWM library.

If you would like us to remove you from our database please email dpa@rbwm.gov.uk

Removal from our database will mean you are no longer a member of RBWM Libraries and cannot use our services. You cannot be removed from the database if you have monies or items outstanding.
