The Royal Borough of Windsor and Maidenhead proposes, in accordance with Section 23 of the Road Traffic Regulation Act 1984 to install toucan crossings and convert footways on the Braywick Road, Maidenhead into a cycle track, with continued right of way on foot.

The toucan crossings and conversion of footways would form part of a scheme to improve pedestrian crossing facilities on the Braywick Road, Maidenhead.

The toucan crossings will be located as follows:
Braywick Road Northbound: approximately 90 metres southeast of the centre of the junction with Walker Road, measured to the centre of the controlled crossing area.
Braywick Road Southbound: approximately 110 metres northwest of the centre of the entrance to Braywick Cemetery, measured to the centre of the controlled crossing area.

The length of footway to be converted to a cycle track is as follows:
Braywick Road, Northeast side: footway linking Braywick Road and A308 Braywick Road located approximately 90 metres southeast of the centre of the junction with Walker Road, for a distance of 10 metres for its full width.
A308 Braywick Road: footway located in central island of A308 Braywick Road between northbound and southbound carriageways for a distance of 28 metres for its full width.

Copies of the documents detailing the proposals can be inspected at Maidenhead Library, St Ives Road, Maidenhead, SL6 1RF, between the hours of 9am-7pm Monday, Tuesday, Thursday and Friday, 10am-7pm Wednesday, 9am-5pm Saturday, and 11am-2pm Sunday.
Alternatively, copies of the documents can be viewed online at www3.rbwm.gov.uk/consultations

Any objection to the proposals, together with the grounds on which it is made, should be sent in writing to the address given below, or emailed to rbwm.traffic@projectcentre.co.uk, to be received not later than 21st April 2020. Please quote reference CF03-19-1.
