STATEMENT OF REASONS

THE ROYAL BOROUGH OF WINDSOR AND MAIDENHEAD
(RIDING COURT ROAD, DATCHET)
(30 MPH SPEED LIMIT) ORDER 2020

It is proposed that the speed limit in Riding Court Road, Datchet is reduced from the national speed limit of 60mph to 30mph. The bridge over the M4 motorway has recently been replaced as part of the Smart Motorway scheme and the design speed for the new section of road has been reduced to 30mph.

Therefore, in the interest of safety, the Council intends to reduce the speed limit in line with the design speed for the road. This has been supported by Ward and Parish Councillors.

The effect of this order will be to implement a 30mph speed limit in parts of the following roads in Riding Court Road, Datchet.

The Royal Borough of Windsor & Maidenhead propose to make the above Traffic Regulation Order to introduce a 30mph speed limit in Riding Court Road, Datchet for the following reasons:

A. For avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising.

B. For preserving or improving the amenities of the area through which the road runs.
