Local Safety Scheme – Blacknest Gate Road and Mill Lane, Sunninghill, Ascot

The Borough has been made aware that residents are concerned with the speed of vehicles travelling along Blacknest Gate Road and Mill Lane. There is particular concern in the area of the houses and the entrance to the Great Park, where the road is narrow and there is a sharp bend.

A series of traffic calming measures are proposed along this area of concern. A 30mph speed limit will be introduced along Blacknest Gate Road past the houses and continue into Mill Lane for a distance of 250 metres from Blacknest Gate. Additional signage will be provided to emphasise the new speed limit and warn motorists of the bend. The centre white line will be removed outside the houses to visually narrow the road.

Full details of the proposals are included on a plan on the rear of this letter.

Please note that a copy of associated documents may also be inspected by visiting the Consultations section at Royal Borough website at http://www.rbwm.gov.uk

Q1. Do you agree with proposals to introduce traffic calming measures?

Q2. In order to monitor the response to this questionnaire, please indicate where you live/home postcode.

Q3. Do you wish to make further comments with regards to this scheme?

If you have any observations to make regarding the proposals, please respond by completing the form at the above web address. If you do not have access to the internet please write to Highways, Parks and Countryside, Communities Directorate, Town Hall, St Ives Road, Maidenhead, Sl6 1RF. Please quote reference: 100006473– CD23-20-2.

All responses to be received by 21st August 2020

Councillor Christine Bateson            Ward Councillor Sunningdale and Cheapside
Councillor Sayonara Luxton              Ward Councillor Sunningdale and Cheapside
